BLC CHILDREN'S EMERGENCY MEDICAL FUND:

In the Philippines it is very difficult to find children's chewable vitamins. When every day brings a struggle to put food on the table, essentials like vitamins are low on the priority ladder. Without daily vitamins, children's bodies miss some of the necessary nutrients for proper growth, and are more prone to disease.

BLC'S MEDICAL FUND IS AN ANSWER TO PRAYER FOR MANY FILIPINOS

International BLC Sponsorships (801-BLC)

The BLC (Barner Learning Center) International Student Sponsorship Program is an opportunity for Filipino children who otherwise might not be able to afford a quality Christian education to obtain schooling at no cost to their families through the "adoption" of their financial schooling obligations by international supporters. For support of those at ages 2 through 15, the fee is \$20 (P1000) per month.

Each Sponsorship covers the following: tuition, enrollment, books, uniform, registration, dental checkup, insurance, medical checkup, ID card/jacket, instructional materials, PTA & library & campus fees, school publications, graduation fee & gown, field trip transportation costs, boy/girl scout membership & uniforms, gym fee, and basic school supplies (notebooks, pencils, etc.).

EVERYONE IS A TEACHER

“By now you should be teachers!”- Hebrews 5:12

I challenged the congregation and church board. “We have many in this church who have been believers for six years and more already, yet still are not teaching!” Our school and church work together for education in four areas: Spiritual, Mental, Physical and Social. Even the parents are led to salvation in Jesus Christ and discipled weekly on the Barner Learning Center campus.

To evaluate the spiritual retention of these new believers, we are giving them the opportunity to teach. Elvie, being the BLC principal and Faith Fellowship Church’s Christian Education Director, has designed a calendar of all seven of the Sunday School classes (all grades) as well as the Wednesday evening prayer meeting Bible messages. For each of these sessions she has chosen a different new believer to speak.

A goal in the discipleship program is to one day teach in church. Of the 300 in our Laverna church plant, 50 will be teaching at least once in March/April. They are also assigned to evaluate the other speakers.

Please pray for the Holy Spirit to empower and direct these new believers as they take this step of faith and teach others the golden truths from the Word of God.

THE FATHER’S HOUSE

“The Nations are upset!”

“Pastor Paul, the nations of the world, as well as UNICEF (United Nations International Children’s Fund), are angry at the Philippines for putting child prisoners (aged 8-18) in jail with adult criminals, who often abuse them! We’ve got to do something about it!”

After CNN did a special on this problem that has existed for 4 decades, a band of concerned Christians here in Davao incorporated the “Father’s House Facility for Children in Conflict with the Law” to house 500 child prisoners.

The Philippine government this week tried to pass a law to keep children out of the jails by making it illegal to arrest minors. But since that would put problem children out on the streets to terrorize citizens, it would be an impossible law to execute. Kids will still get arrested. We are therefore speeding up the construction of the “Father’s House” here in Davao to provide a place to put some of the 20,000 child prisoners in the Philippines.

I (Paul) was unanimously elected as CEO for this work, and Elvie is the treasurer. The chairman of the board is Davao City’s Administrator and assistant to the mayor. A local businessman donated Land for this purpose. Please pray for speedy construction so it can be occupied by June.

BLC ENERGY FUND:

EVERY DAY AT BARNER LEARNING CENTER, WE SUPPLY TRANSPORTATION FOR NEARLY 312 STUDENTS. OUR BUSES WERE BOUGHT WITH FUNDS SACRIFICIALLY & GENEROUSLY GIVEN BY FAITHFUL FRIENDS.

A CHURCH IN PENNSYLVANIA, USA SENDS \$100 EACH MONTH TO ASSIST WITH THE FUEL FOR THESE VEHICLES. HOWEVER, WE PAY \$750 EACH MONTH FOR GAS.

WITH THE RECENT FUEL INCREASE, OUR ENERGY BILL FOR THE BUILDINGS ON CAMPUS HAS TRIPLED TO \$800 PER MONTH.

MIGHT YOU BE WILLING TO ASSIST WITH THESE NEEDS ON A MONTHLY BASIS?

BLC FIELD TRIP!

GROWING FISH, FOOD & FAMILIES

“WHOA! A HUNDRED NEW FISH!”

At the base of our BLC flagpole was a tiled fishpond with 50 assorted fish and a few turtles. That was until last Sunday when the fish had babies. “Look!” screamed a nursery schooler “Baby fishes!” Sure enough, hundreds of squirmy little baby fish clouded the water. While the fish increase in their pond on BLC’s bottom floor, our vegetable garden and chickens are growing on the roof. Peppers, peanuts, cabbage & carrots are some of the crops that absorb sun and rain up there, and decrease the cost of our huge food budget which has to feed 400 BLC mouths.

Between the plants on the roof & the fish at the ground are hundreds of precious children in over a dozen classrooms, daily growing in their understanding of Jesus Christ. As child after child becomes aware of his or her need for a personal relationship with Jesus, our most precious “crop” increases... a harvest of souls.
