International BLC Sponsorships (801-BLC)

The BLC (Barner Learning Center) International Student Sponsorship Program is an opportunity for Filipino children who otherwise might not be able to afford a quality Christian education to obtain schooling at no cost to their families through the “adoption” of their financial schooling obligations by international supporters. For support of those at ages 4 through 15, the fee is \$25 (P1250) per month.

Each Sponsorship covers the following: *tuition, enrollment, books, registration, dental checkup, insurance, medical checkup, ID card, instructional materials, PTA & library & campus fees, school publications, graduation fee & gown, field trip transportation costs, boy/girl scout membership & uniforms, gym fee, and basic school supplies (notebooks, pencils, etc.).*

FAQ: (Frequently Asked Question):

**Q: WHY WAS THE FLOOD DAMAGE IN 2008 GREATER?
A: THE 2008 FLOOD WAS IN JUNE WHEN THE NEW TEXTBOOKS WERE ABOUT TO BE PICKED UP BY THE STUDENTS. BUS & BOOK DAMAGE WAS THE GREATEST EXPENSE.**

YOU KNOW YOU ARE A FILIPINO IF...

YOU KEEP A PAIL IN YOUR BATHROOM IN CASE OF WATER SHORTAGE OR IF THE TOILET DOESN'T FLUSH.

THE SIX GREAT FLOODS OF 2011

“What project shall we give the bus drivers?”
BLC’s Summer vacation is only 2 weeks long, and since BLC’s bus drivers are not doing runs, we give them other projects like painting walls.
Yet when an evening rainstorm became a muddy, messy, destructive flood, the three-week cleanup required not only labor demands for our bus drivers, but also for parents and church members. Vacation was extended.
We’ve decided to avoid future destruction from floods by moving our apartment to the third floor of the school, and the offices to the second floor. This rearranging means the third-floor sixth grade class has moved to the Home Economics building; the second floor Playland moved to the first floor, and Principal Elvie’s office moved to where the Medical Clinic had been, on the

Second floor.
Altogether, seven rooms are being resituated. It is a lot of work, but there are some perks. Living on the sixth floor will mean more fresh air and also...WINDOWS! Living ten years on the ground floor without windows has been confining. We’re looking forward to the openness. Plus, we’ll be up near the rooftop garden.

God is always in control. We thank Him for all those who gave financially to help with this move. Though we lost many irreplaceable personal belongings, we still have God. Always. Yay!
