BCA'S MEDICAL FUND IS AN ANSWER TO PRAYER FOR MANY FILIPINOS

International BCA Sponsorships (801-BLC)

The BCA (Barner Christian Academy) International Student Sponsorship Program is an opportunity for Filipino children who otherwise might not be able to afford a quality Christian education to obtain schooling at no cost to their families through the "adoption" of their financial schooling obligations by international supporters. For support of those at ages 4 through 15, the fee is \$25 (P1050) per month.

Each Sponsorship covers the following: tuition, enrollment, books, registration, dental checkup, insurance, medical checkup, ID card, instructional materials, PTA & library & campus fees, school publications, graduation fee & gown, field trip transportation costs, boy/girl scout membership & uniforms, gym fee, and basic school supplies (notebooks, pencils, etc.).

(After I spoke at a New York Men's Breakfast, the leader sent this email to the 30 who had attended)

Hey Guys ---

Please share this with other guys if you know their email addresses.

Jim and I got the toothbrushes on Saturday after last weeks' men's meeting. We got over 570 brushes - the shipping is gonna cost \$80.00 a BOX to send to Paul -- so what I would like to know is anyone who can stay after the meeting this Saturday to take the containers apart and put them into zip-lock bags - it would be a great hands-on interior project for as many guys who are available. The shipping is going to be a lot less with the wraps taken out for sure.

We could maybe get a bunch of guys and then head over to our favorite Dunkin Donuts...

Let me know - or just plan on being there.

I want to thank all for the support you guys have given to this ministry!!!! Paul has been corresponding with me regularly and the kids are waiting for 'White Teeth'.

Hugs to ya guys and much thanks!

(A dear pastor and his wife regularly send boxes of school supplies, food and clothing to BCA, as well as promote this ministry at other churches)

Dear Paul, Elvie, PJ and Abby...Just a note to let you know what's happening in our new church home (and in our living room, where we pack your boxes)...

Pastor Jamie had asked me to share about the Philippines the same day Steve preached, and it was so great to tell your stories. I laughed and told the congregation I had promised Steve I'd save him time for the sermon.

The response has been wonderful. Every time we walk in the church door someone says they have some goodies for the Philippines. The missions team asked me to join them, and the head of missions suggested they pay for the shipping of one box each quarter, that the church begin praying and planning a missions trip for 2013...that's just the beginning!

Then I went shopping and ran into a lady (not physically) who suggested that I check out a going out of business sale by the mall. I asked the store owner if she'd consider donating some fabric and yarn when she closed out. She said "Be here Saturday at 5:00pm and we'll see what we can do." I bought quite a bit, then went back Saturday afternoon. At five (it was starting to thunder and lightning) she gathered her helpers, pointed to my jeep, and told them I was "a charity" and to fill the jeep. When I realized I couldn't even drive it home, I called Steve to bring the truck.

To make a long story short, we got (all new) 300 skeins of yarn and hundreds of yards of fabric, lots of cotton for dresses and some more crafts, that I will have to experiment with. I will send some to your ladies, and some of us here will start to crochet, knit and sew...the excitement is contagious and last night at Bible study I passed out the beginnings of yarn and fabric for our new project.

Anyway, the living room is filled with goodies, clothes, yarn, fabric, etc. I finished packing a box today. The missions team and secretary also asked if I would set up a display in the entry way at church so everyone can see the box size and kids' pictures, etc.

So God is really blessing this ministry. It's exciting and challenging at the same time. This is just a little portion of what God is doing...and such a blessing to be a part of...we love you and are so blessed to be your friends and fellow Christians. Lots of love, God is so good!!!!!!!!!!!!!!!!!!!!!!

JUN-AUG 2011 SOUTHEASTERN USA SPEAKING TOUR

JUNE 20-JULY 2 VIRGINIA-FLORIDA

Already into our third week of travel, we drove from Pennsylvania to Virginia. There we had breakfast with a young man who sponsors a BCA student, and his pastor (*pic 1*). Then, on down to the Christian Aid Mission Headquarters to touch base with our Asia representative, Pastor Steve (*pic 2*). Driving a few hundred more miles, we spoke at a new church in North Carolina, which meets in a gymnasium (*pic 3*).

Later, after speaking in a church in South Carolina, the 4 of us had the treat of horseback

rides (*pic 4*)! At that church, the congregation decided that the church itself would place it in their budget to sponsor a BCA child. Hitting the road again, we spoke at a VBS in yet another South Carolina church whose ladies' group last year had sent our BCA library two big boxes of much-needed children's books (*pic 5*).

While riding thousands of miles in the van, PJ and Abby set up my laptop computer to watch movies (*pic 6*). After speaking to a Home-

schoolers' group (and eating peanut butter ice cream in the President Jimmy Carter's store!) in Georgia (*pic 7*), we met with sponsors in Florida who fixed my GPS and replaced the cell phone I'd lost a few days before (*pic 8*). Then we took a break at Universal Studios amusement park (*pic 9*).
