## International BCA Sponsorships (801-BLC):

The BCA (Barner Christian Academy) International Student Sponsorship Program is an opportunity for Filipino children who otherwise might not be able to afford a Quality Christian Education to obtain schooling at no cost to their families through the "adoption" of their financial schooling obligations by international supporters. For support of those from ages 4 through 18, the fee is \$25 (P1050) per month.

*Each Sponsorship covers the following: tuition, enrollment, books, registration, dental checkup, insurance, medical checkup, ID card, instructional materials, PTA & library & campus fees, school publications, graduation fee & gown, field trip transportation costs, boy/girl scout membership & uniforms, gym fee, and basic school supplies (notebooks, pencils, etc.).*

*Please send support to Christian Aid Mission (address on first page).*

**Please pray: for our kids PJ and Abby, as they now have demonstrated their obedience to God by being baptized.**  
**Praise God: that when my (Paul's) 82-yr-old Mom died this August, her memorial service in New York clearly presented the Gospel.**

**FAQ: (Irregularly Asked Questions)**

**Q: Why did you go to Israel nearby Gaza was attacking them with missiles?**  
**A: We'd already purchased our tickets when the fighting started. Besides, the war has been ongoing for 5000 years**

**You Know You Are A Filipino If...**  
...you never "cross-out a written mistake. Instead you put parentheses around it with the correction above it.

**A Sinner's Prayer:**  
*"Dear Jesus, I am sorry I am a sinner. I know you died on the cross to pay for my sins. Please wash my sins away by your blood and make me clean. As your child I promise to try to live for you my whole life. In Jesus' name. Amen."*

# BARNERS' ONCE-IN-A-LIFETIME FAMILY TRIP TO ISRAEL

During our visit, you were praying for us and God's angels sheltered us. However one children's ministry we planned to visit was wiped out by an enemy missile attack of thousands of air strikes from Gaza. Israeli troops immediately counteracted the strikes and eliminated hundreds of tunnels which had been dug for a planned holocaust invasion on the September Jewish holiday of Rosh Hashana.

Friends gave us funds to visit Israel. We flew to Tel Aviv, rented a car and drove around the country. But nearby Gaza shot missiles at the airport. All ran to bomb shelters. Then driving to Jerusalem we assisted **Bridges for Peace**, planted flowers at a nursing home & loaded
