## International BCA Sponsorships (801-BLC):

The BCA (Barner Christian Academy) International Student Sponsorship Program is an opportunity for Filipino children who otherwise might not be able to afford a Quality Christian Education to obtain schooling at no cost to their families through the "adoption" of their financial schooling obligations by international supporters. For support of those from ages 4 through 18, the fee is \$25 (P1050) per month.

*Each Sponsorship covers the following: tuition, enrollment, books, registration, dental checkup, insurance, medical checkup, ID card, instructional materials, PTA & library & campus fees, school publications, graduation fee & gown, field trip transportation costs, boy/girl scout membership & uniforms, gym fee, and basic school supplies (notebooks, pencils, etc.).*

*Please send support to Christian Aid Mission (address on first page).*

**Please pray:** for the 20 CEF (Child Evangelism Fellowship) trainees who, after their 2-wk training at BCA are spreading to 16 provinces to reach children for Jesus.

**Praise God:** that during Elvie's 47<sup>th</sup> birthday, over 100 Christian friends came to pray for Elvie and wish her well.

**FAQ: (Frequently Asked Question):**

**Q: What is this year's "Special Christmas Project" for the poor BCA children?**

**A: We're raising \$10 for each child to have a backpack which we'll fill with gifts.**

**You Know You Are A Filipino If...**

...you mix seaweed, vinegar and chopped onions and call it a salad.

**A Sinner's Prayer:**

*"Dear Jesus, I am sorry I am a sinner. I know you died on the cross to pay for my sins. Please wash my sins away by your blood and make me clean. As your child I promise to try to live for you my whole life. In Jesus' name, Amen."*

# BARNER CHRISTIAN ACADEMY STUDENTS CELEBRATE THEIR ANNUAL NUTRITION

As principal of Barner Christian Academy, Elvie was concerned that hundreds of our BCA students might not have a balanced diet at home, and also might be ingesting too many sweets (represented by rotten teeth). She had the teachers gather the children together to join the Philippines in their "Nutrition Month" celebration. During the month each class designed posters to describe the foods which are healthy.

At the end of the month, students competed in catchy songs and tasted other classes'

tables full of fruits and good food. On their way home, kids still sang the catchy songs.
