As their children compete in the school poster contests, BCA parents likewise compete in preparing tables of nutritious foods.

Barner Christian Academy's annual Nutrition month challenges each student to research the "Go, Grow & Glow" foods which we should eat. Kids make posters & perform on stage songs & dances which promote healthy eating habits. Parents also compete with tables filled with good food in all 3 categories. We take proper care of the bodies we have, as "temples of God."
