IRONMAN 70.3 MAINE

BCA's buses are 21 years old & need replacing. Paul will be in a 70.3-mile Ironman triathlon on August 29, 2021 in Old Orchard, Maine, USA. Sponsors may send funds per mile for BCA's bus fund. NEEDED: 20,000. Received: \$3,046.24

Please pray: for BCA staff, opening 60 boxes we sent them over the past 12 months. Due to delay in our return flight, we will not be there to open the boxes. The faculty's computers, due to the new online requirements, have been exhausted. Some replacement computers are in the boxes.

Praise God: that a family from Maryland drove five hours up to New York to drop-off computers for BCA (which we are shipping to Davao). The family even stayed to sing worship songs and also joined a few hilarious dramas & games as well.

FAQ (Frequently Asked Questions): Q- As BCA's 600 students study at-home, how do their teachers communicate the lessons? A- Elvie & the teachers logged-in over a thousand hours (combined) of online training by the Philippine government on how to set-up the campus computers with curriculum designed for distance learning.

You know you are a Filipino if...

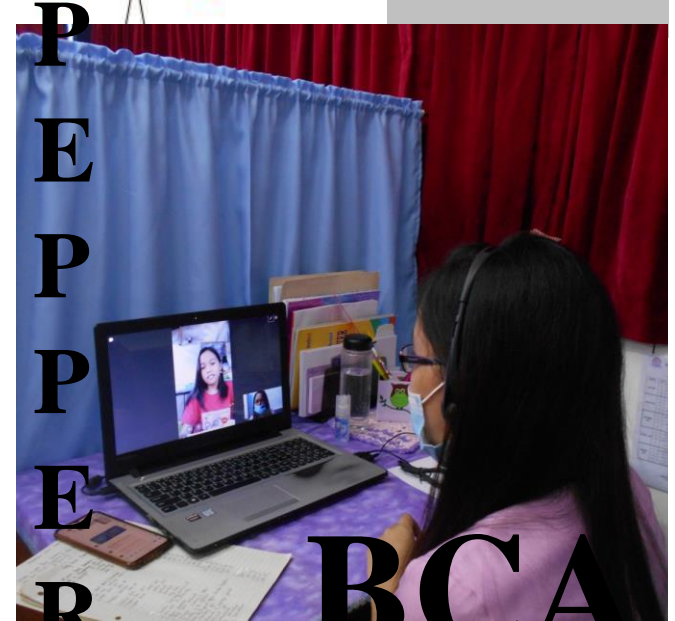

...you get hit on the head by a coconut while trying to get an internet connection up a tree in the jungle.

A Sinner' Prayer: Dear Jesus, I am sorry I am a sinner. I know you died on the cross to pay for my sins. Please wash my sins away by your blood & make me clean. As your child I promise to try to live for you my whole life. In Jesus' name, Amen.

The Global Gift

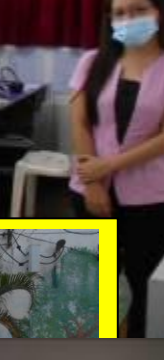

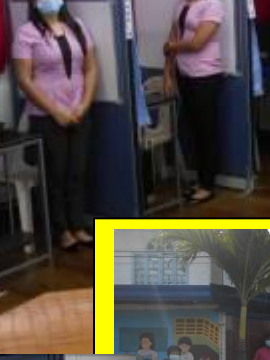

An American friend gave \$10,000 to make BCA COVID-compliant.

With these funds, BCA expanded the Wi-Fi bandwidth for ZOOM/ Moodle & Kotobee meetings, increased electrical load, & also installed computers & safety walls into BCA's "brain center" where 600 students (off-campus) are reached by their 17 teachers (on-campus).

The teachers themselves wash hands, step through a foot-bath, wear masks,

log-in with a campus security guard & social distance. Students meet in small groups to hold classes online with their teachers, avoiding use of expensive cell phone data. God has provided a way to reach the kids even during this unique time.
