BCA will pay back the loan over the next 30 months. Paul will be in his 14TH 70.3-mile Ironman triathlon in 2022 (**Geneva, New York, USA 7/10/22**) Sponsors may send funds per mile for BCA's garage fund. **NEEDED: 30,000. Received: \$9,255.45!**

Please pray: for our church youth group back in the Philippines, as they respond to their "**Music/Evangelism Seminar**", using the S.A.L.T. approach: Start a conversation. Ask a question. Listen. Tell the story.

Praise God: we spoke in Pennsylvania at a vibrant Christian residential care facility. showing pictures of BCA students receiving 600 Ziplock packets of school supplies which these senior citizens had painstakingly & lovingly packed for the kids last Christmas.

FAQ (Frequently Asked Questions): **Q-** How have American children helped BCA students? **A-** By donating used stuffed animals &, this Summer a VBS in North Carolina is raising funds to pay for our orphanage's \$30,000 wall to protect from thieves (both 2-footed & 4-footed).

You know you are a Filipino if...
 ...when requested to get in line, a sign directs you to "fall in line".

A Sinner' Prayer: Dear Jesus, I am sorry I am a sinner. I know you died on the cross to pay for my sins. Please wash my sins away by your blood & make me clean. As your child I promise to try to live for you my whole life. In Jesus' name, Amen.

Teaching Orphans a Trade:

Neighbors stole all the orphans' turkeys, & then tools started disappearing. Neighbors' animals ate the kids' veggies right from their gardens, so we started building a perimeter wall.

Professionals came for a month to train the kids to mix cement, dig the trenches, lay reinforcement bars, affix the cement blocks & fill them with cement, plastering them in place. American churches gave money for us to also dig a well this coming November. BCA's orphan kids are now cement-ers!

OTHER NEWS: BCA students continue to work from home during covid, & Abby & her cousin Elissa graduate 40 years to the day from when their dads also graduated together from that same college in 1982. They're joined by their co-grad Ruth, from the Philippines. Mother's Day in Upstate New York is blessed by the colorful annual Tulip Festival. Also, the BCA kids keep studying their new Bibles faithfully.
