Please pray: for satisfactory results from the drilling team which is attaining soil samples for the construction of BCA's new 3.5-story building, which will house a parking lot, church sanctuary/chapel, teachers' apartments & a rooftop garden.

Praise God: that Pastor Bryan from southern New York, is buying plane tickets to join us in the Philippines 4 wks this December to help in our busiest time of year as we give 600 pair of sneakers to BCA students, also preaching the Gospel to families & friends.

FAQ (Frequently Asked Questions): **Q-** Are PJ & Abby working this Summer? **A-** Yes. They are both at a Christian ministry: "Camp of the Woods" in the Adirondack Mountains of Upstate New York. PJ manages the cafeteria & Abby runs the Post Office & snack shop.

You know you are a Filipino if...
 ... you need to keep track of the banks when out of the country, for sometimes they change currency, making the old money worthless.

A Sinner' Prayer: Dear Jesus, I am sorry I am a sinner. I know you died on the cross to pay for my sins. Please wash my sins away by your blood & make me clean. As your child I promise to try to live for you my whole life. In Jesus' name, Amen.

**Planting churches:
30 so far!**

When kids enroll at BCA, their families often turn to Jesus. We plant churches in their areas: in homes, under trees & other buildings...some still under construction! The distance our pickup truck drives to our farthest churches is 80 miles. Parishioners total around 1,200. American pastors this year will preach at half a dozen churches.

OTHER NEWS: BCA orphan kids continue building their protective perimeter wall while Elvie & I travel in the USA speaking at churches. Also, I (Paul) cycled 5,000 miles in prep for my 14th Ironman triathlon raising money to build a garage for our new school buses. Engineers drill soil samples where the garage will be built. PJ "kisses the moose" to celebrate his silver (25th) birthday while running the cafeteria at **Camp of the Woods** in the forests of Upstate New York.
