2024: BCA's Chapel

**IRONMAN
70.3 AUGUSTA**

BCA is building a 3-story garage/chapel to keep the buses safe from flooding. Paul will be in his 16TH 70.3-mile Ironman (swim-cycle-run) triathlon on Sept 29, 2024 in **Augusta, Georgia (USA)**. Sponsors may send funds per mile for BCA's garage fund. **NEEDED: 120,000. Received: \$65,505.60!**

Please pray: for Augustine. We've cared for him over a decade at BCA's orphanage, & now he is on his own, working nights at a mango juice packing plant, while studying to become a policeman.

Praise God: that our son PJ led music & preached on "God's Grace" in NY, & our girl Abby performed in orchestra & sang a solo representing Moody Bible Institute at Wheaton Bible Church in Chicago.

FAQ (Frequently Asked Questions): Q- What are the duties of BCA's chaplains? A- discipleship, soul winning, evaluating children's spiritual aptitude, teaching new believers to study the Bible, worship together & pray.

You know you are a Filipino if... you cut your food with a spoon, not a knife.

A Sinner' Prayer: Dear Jesus, I am sorry I am a sinner. I know you died on the cross to pay for my sins. Please wash my sins away by your blood & make me clean. As your child I promise to try to live for you my whole life. In Jesus' name, Amen.

BCA's New Computer Lab!

The Utah work team in January installed over a dozen computers, setting up the network, internet & programs to mesh with the teachers' lessons.

Hands-on, they compete in Bible knowledge, typing & communications techniques with each other & the teacher.

**These skills will be useful
one day for employment.**

OTHER NEWS: Our daughter Abby is a soloist for the Moody Bible Institute orchestra's music tour, & son PJ presents the Philippine ministry as he preaches on GRACE in New York. Our Communal church-plant celebrates its 6th anniversary & our orphans dress up for their parade. BCA students get a special oversized guest & new kids write introductions to sponsors.

BCA'S CLASSROOMS: As each student at Barner Christian Academy learns his or her lessons, opportunities arise to share the knowledge with classmates, through visual examples/equations, on the blackboard, through exams, through artwork & through performances... even through tasting freshly cooked delicacies in the Home Economics classes!
